# Notes on Financial Results of Trigyn Technologies Limited:

- 1. The above financial results have been reviewed by the Audit Committee and taken on record by the Board of Directors of the Company at their respective meetings held on January 29, 2007 and are subject to "Limited Review" by the Statutory Auditors.
- 2. With regard to the qualifications of the Statutory Auditors in their Audit Report on the Company's financials 2005-06 regarding Management of the Company not considering further provisioning for the investments in its two subsidiaries over and above the current carrying value of Rs.47.94 Crores despite erosion in these subsidiaries being significant in the opinion of the Statutory Auditors, the Board of Directors at the current juncture believe that the respective investments in these subsidiaries have been adequately provided for and based on further internal and/or independent valuation to be carried out at a later date would accordingly decide on suitable course of action.
- 3. In the current quarter, the Company has written back an amount of Rs.495.63 Lacs as extra-ordinary item against One Time Settlement (OTS) with Oriental Bank of Commerce ('OBC' or 'the bank'). The Company has written back the total amount of Rs.3461.04 Lacs during current financial year till December 2006 as "Extra-Ordinary Item" in the books of accounts.
- 4. The Company has utilized part of the proceeds of preferential issue towards One Time Settlement (OTS) with Oriental Bank of Commerce, redemption of preference shares, renovation of office infrastructure and working capital. The balance funds as at December 31, 2006 have been kept in fixed deposits with the bank.
- 5. These financial statements have been prepared assuming the Company will continue as a going concern despite substantial erosion of net worth and current liabilities exceed current assets in the current year. Management believes that the Company will be able to finance its operations and meet its commitments including commitments given to support its subsidiaries from internal cash generation in the foreseeable future given the various options it is perusing in this regard. In view of one-time settlement with the bank for repayment of its dues in full and also further shares issued to a strategic investor, the Company has become completely debt free and also in a position to meet needed working capital and / or capex requirements from its operating revenues. Accordingly, the financial statements do not include any adjustments regarding the recoverability and classification of the carrying amount of assets or the amount and classification of liabilities that might result should the Company be unable to continue as a going concern.
- 6. Provision for Minimum Alternate Tax (MAT), if any, u/s. 115 JB of the Income Tax Act, 1961 shall be made at the end of the financial year 2006-2007.

The liabilities for defined benefit plan are being reviewed by the management in terms of the requirement of said Accounting Standard and accordingly necessary adjustments will be carried out during the current financial year. However, the impact on account of this is not likely to be material on the financial result.
- 9. Previous period / year figures have been regrouped or rearranged wherever necessary.
